## Tired?

*“The only tired I was, was tired of giving in. I have learned over the years that when one's mind is made up, this diminishes fear; knowing what must be done does away with fear. Each person must live their life as a model for others”.*

# Principles of Peacemaking

Amplify Peace is a global movement that promotes the principles of peacemaking through the teachings of Jesus to create change in our world. We believe that peace and transformation begins within each of us first and then flows outward into our families, communities and world.

We seek to understand rather than be understood.

We humbly listen and learn, not sit in judgement.

We enter into open dialogue, not debates.

We frame questions respectfully.

We respect each other's unique journey and perspective.

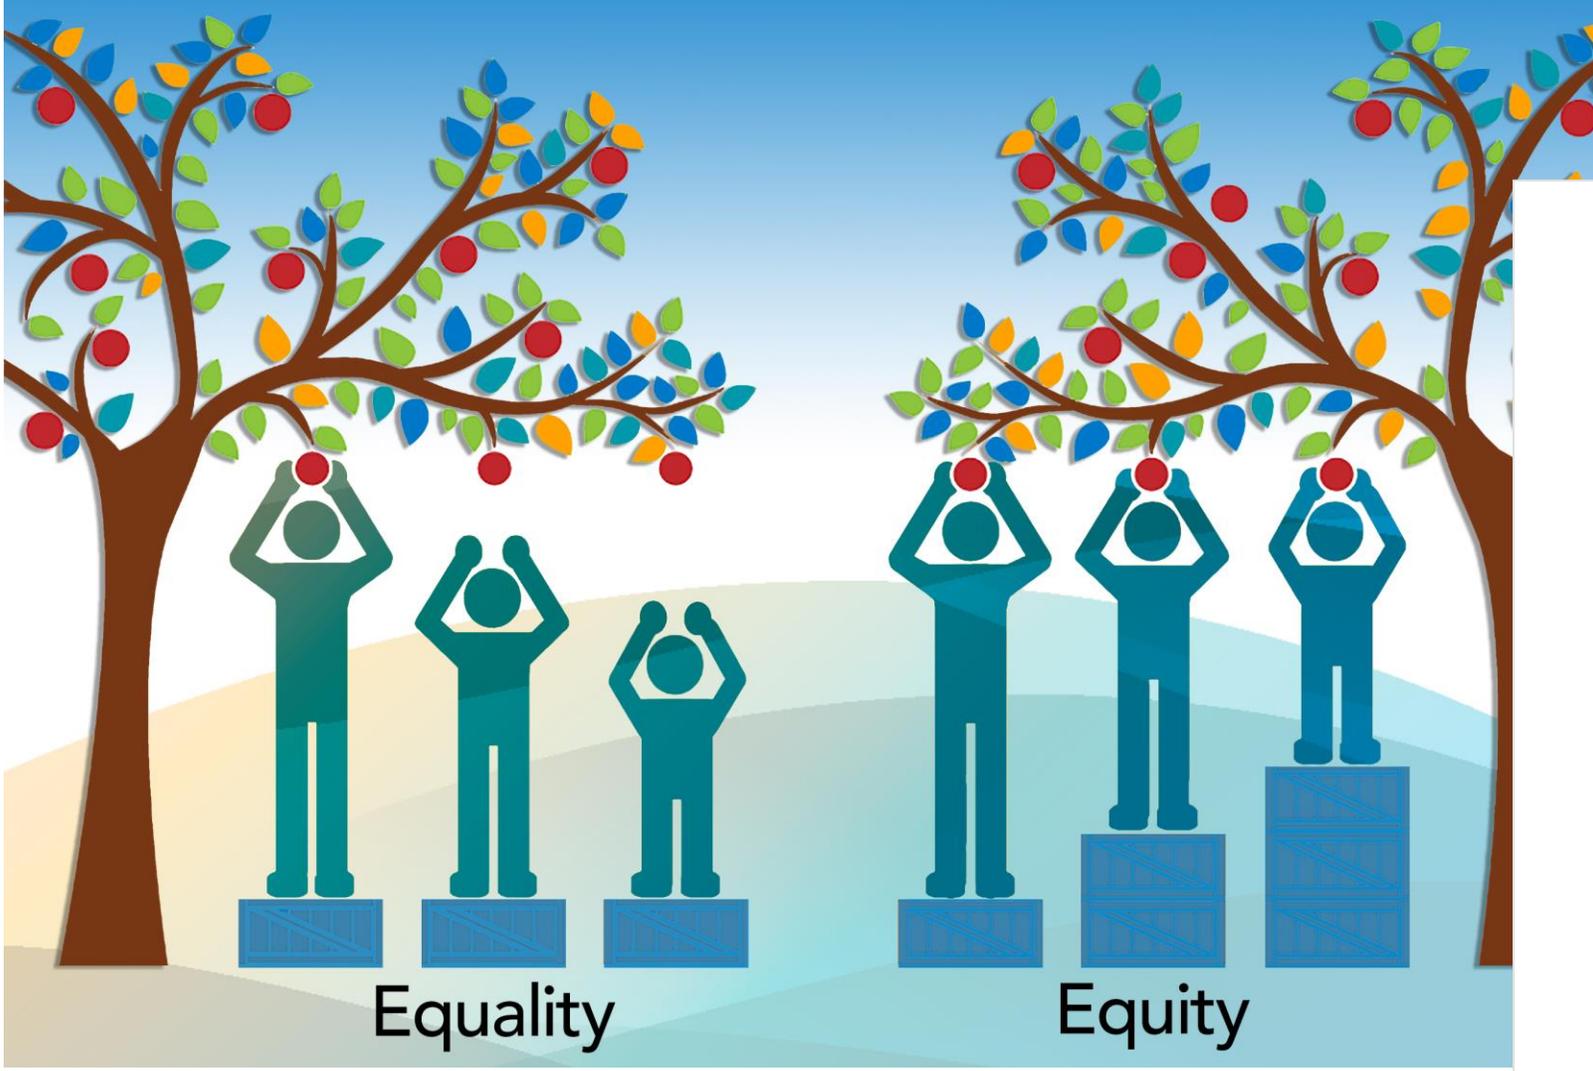

We honor relationships over the need to be right.

We believe we are engaging in a story bigger than our own.

*The 11th Month Prayer*

When I am called to duty, Lord... To fight the coming strife,  
Please keep me safe and strong... I may be here, but here  
be with my fallen comrades... to an ally up to the top  
Keep us out enough time... for them when to stop,  
but we shall and thank... to from and back  
Let us find them when we come... to us to stand back  
For if this day an 11th day... I should never see the earth,  
Lord, bind my 11th Month... to family and all

# Peace Prayer

*Lord, make me an instrument of Your peace.  
Where there is hatred, let me sow love; where  
there is injury, pardon; where there is doubt,  
faith; where there is despair, hope; where there  
is darkness, light; where there is sadness, joy.*

*O, Divine Master, grant that I may not so much  
seek to be consoled as to console; to be  
understood as to understand; to be loved as to  
love; For it is in giving that we receive; it is in  
pardoning that we are pardoned; it is in dying  
that we are born again to eternal life.*

- St Francis of Assisi
